Notes to Applicant

Your attention is drawn to the rights of Appeal set out on the attached sheet.

This consent applies only to the works described above. Works carried out which do not accord with those specified may render the person responsible liable to prosecution.

If the tree(s) overhang or straddle land in different ownerships you are advised to discuss your proposals with other owners of the tree, and for the avoidance of doubt, this consent does not give you any right to go onto your neighbours land in order to carry out the work.

Nesting birds and bats, their roosts and their access to these roosts are protected under the Wildlife and Countryside Act 1981. Should birds be nesting in the trees concerned it is recommended that felling/surgery should be carried out between September and January for further advice contact Nottinghamshire Wildlife Trust on 0115 9588248. If bats are present you should contact English Nature on 01476 568431.

RIGHTS OF APPEAL

If the applicant is aggrieved by the decision of the Borough Council to impose conditions on the grant of consent, then he or she may appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 within twenty eight days of receiving this notice.
